The applicant expectations is to plan, organize and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic potential. The applicant must be able to plan, prepare and deliver instructional activities that facilitate active learning experiences and establish and communicate clear objectives for all learning activities.

Essential Job Functions:

- Intentional focus on student achievement
- Teach Level 1 Spanish language classes (in Spanish)
- Stimulate inquiry and engagement through project-based instruction
- Prepare lessons based upon backwards design
- Grade student work, and maintain/update grades
- Build and maintain positive relationships with students and instructional teams
- Utilize effective research-based instruction and evaluation
- Utilize both formative and summative assessment for student mastery
- Communicate effectively with students and families
- Work outside the normal schedule periodically in collaboration with colleagues
- Demonstrated competency in integrating technology into classroom teaching
- Demonstrated competency of collaborative work
- Promote the five Core Principles throughout the Spanish curriculum

Qualifications:

- Bachelor's degree in Spanish is required; Master's degree is preferred
- Teaching certificate in Spanish
- Strong commitment and desire to work with youth and adults in a collaborative environment
- Enjoy the challenge of implementing new teaching methods and educational tools in an ever changing and strategic environment
- Ability to utilize technology and integrate the use of technology to instruct and provide feedback on student's performance and development
- Life-long learner, optimistic, flexible, and passionate about helping all students reach their potential
- Open to change and possess skills that promote student achievement and growth.
