Scheduling Reminders

- Make sure you check the online course catalog for course descriptions:
www.mullenhigh.com→ Academics-> Counseling-> Academic Counseling-> Course Catalog
- The master schedule is built based upon YOUR course requests. That means you MUST KEEP the elective classes you pick! CHOOSE WISELY!

HONORS/HIGHER LEVEL:

- You MUST take the spring subject placement test(s) to be considered for Honors classes or for a higher level in a subject.

• What is your goal upon high school completion for Math and Science?

- Use the 4-year Plan below to understand more about Math and Science movement in regards to AP Placement and level completion.
Please note: Placement tests THIS Spring will determine the starting points in traditional versus advanced levels.
- Once placement results are sent, see website for descriptions of CP vs Honors.
